Meaning of Terms

Spouse – means husband or wife or civil partner

Issue – means children (both legitimate *and* illegitimate *and* adopted) and grandchildren and great grandchildren etc.

* The Spouse will only benefit if he or she survives the intestate for 28 days. Where this does not happen the estate will be dealt with as if there is no spouse.

** Reference to "brothers and sisters" means siblings of the whole blood – if there are none siblings of half blood may then take a share in the estate.

This fact sheet is intended as a guide and no action should be taken without first seeking professional advice on your specific circumstances.
