Charges and Expenses

We offer a fixed cost service for lease extensions.

authorised & regulated
by the solicitors
regulation authority
SRA no:49277

The fees will be:

- £300 per flat plus VAT if you do not have a mortgage; or
- £325 per flat plus VAT if you have a single mortgage*.

for a deed and surrender and regrant.

†notary public

There are in addition to the legal costs the following disbursements (per property) to pay:

- £6 for obtaining office copies of your title (copy of leasehold title);
- £3 for obtaining office copies of the lease; and
- £40 for registering the new lease at Land Registry.

Our costs will cover:

- a review the titles and your leases;
- drafting the new lease based upon the old lease. The lease will be increased to the maximum period of 999 years and the rent is reduced to a peppercorn. A minor change will be made to the lease wording concerning the service charge;
- * obtaining consent from your mortgage lender (this is needed to transfer the mortgage from the old leasehold title to the new title);
- arranging for signature by all parties;
- dealing with formal completion, stamp duty and registration requirements; and
- storage of the deeds post registration if required.

We will not carry out a full review of the title or carry out any searches for example local searches as you would expect. We do not provide tax advice.

Please note if you have a mortgage our costs cover obtaining consent from the first mortgage company only (including where you have two charges from the same lender like a further advance). If you have a second or subsequent charge with a different lender we will charge a further £100 plus VAT for dealing with the second lender. In addition your lender they may charge an administration fee for consenting to this transaction (which can vary but are estimated to be in the region of £0-100 plus VAT).

Obligations

What we must do - We will handle the preparation of the leases and arrange for your lenders to consent to this transaction where applicable. If we are also acting for your lenders, we will act in accordance with their instructions to us.

What you must do - You will be required to assist us by signing and returning documents in a prompt manner to assist us in co-ordinating this transaction. You must also make payments required in a timely manner for example for the consent of your lender. If you are likely to be away for a prolonged period of time during this process please let us know.

Timescale

We will try and provide you with an estimate of the timeframe but experience tells us that this can change. From receipt of your completed questionnaire and identification documents we hope to complete your lease extension in two weeks where there is no mortgage and four weeks where there is a mortgage.

If you are concerned that you need to proceed quickly (because you have a pending sale or remortgage) then please let know and we will try and accommodate you.

Benefits

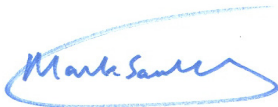

If we act for you in relation to your lease extension as an existing client we offer £50 plus VAT off our standard conveyancing sale charges – now or in the future. See www.convey-quote.co.uk for an instant quote. For example for a leasehold sale up to £200,000 the legal fee for the conveyancing is currently £625.00 plus VAT (less discount £575.00).

Next Steps

If you have not already done so to enable me to proceed please could you complete and return the enclosed Lease Extension Questionnaire as soon as possible.

Your continuing instructions will amount to acceptance of these terms of business. I hope that by sending this letter to you I have addressed your immediate queries about the day-to-day handling of your work and our terms of business. However, if you have any queries, please do not hesitate to contact me.

Yours faithfully
